I/We understand that we, personally, are responsible for the submission of all litter notifications and Registrations for pigs born on our property to the Registry. Submissions by anyone else will not be able to be completed. _____ (please initial)

A separate and unique prefix is required for each address pigs are located at even if owned by the same breeder.

I verify that the information provided is true and accurate and I/we own at least one Registered pair (gilt & boar) or a Registered gilt/sow bred to a Registered Idaho Pasture Pig. By signing this form, I agree to allow the Idaho Pasture Pig Registry to give out my contact information to prospective buyers and people looking for Idaho Pasture Pigs. I understand that if I do not follow the breed standard, the bylaws, or the rules set forth by the Registry, or if I cause harm to another breeder or the Registry itself, I may lose my Breeder Prefix and Registration rights without a refund of monies paid. If a partnership dissolves, the breeder prefix owned by the partnership, will be dissolved. If either partner provides a notarized & signed paper relinquishing rights to the prefix, then the opposing partner will be able to retain the rights to that prefix. All questions must be answered and a signature from EVERY person listed as an owner above is required. Minors will be required to have a parent or legal guardian listed as an owner and they will be required to sign the paperwork in lieu of or in conjunction with the minor child. I understand that this entitles me to a Basic membership & the ability to submit litter notifications & Registrations. This does not include a farm listing on the Registry website. I agree to the Bylaws & Code of Conduct of the IPPR.
